LIBRARY

ACQUISITIONS BULLETIN

APRIL 2016

INTRODUCTION

The Library is developing its collection through purchases, donations, legal deposits, gifts and exchanges. The purpose of the Acquisitions Bulletin is to keep library users informed about the additions to the collections. The Bulletin includes an Author index.

The Bulletin of the library announce the books, serials, CD's, dissertations, databases, and other information resources that have been acquired within the period. All the listed resources are located in the Library.

The newly acquired books/materials has been arranged in alphabetical order to enable users identify materials that have been acquired in their various subject areas.

Please feel free to contact the library for any book(s)/material(s) that may be of interest to you.

Thank You.
